{Sommelier Selections by the Glass}

Frank Cornelissen munjebel sicily, IT 2020.....	\$24
--	------

MunJebel is a white natural wine from Sicily made from organic grapes from old vines, over 90 years old. The grapes are destemmed, gently pressed, the must is fermented spontaneously with native yeasts in epoxy tanks for 60 days where the wine is then aged....JZ

Maison en Belles Lies chardonnay Monthelie, FR 2017.....	\$28
---	------

An outstanding aged offering from Pierre Fenals, who made the transition from the Parisian fashion industry into becoming a natural winemaker. The vines are all farmed biodynamically, the wine is aged in neutral oak, and then bottled unfiltered, unfiltered, and with very minimal added sulphur. Notes of struck match, and subtle white flowers on the nose, with gorgeous limestone minerality on the palate, this wine is elegant, fresh, and communicates its Burgundian Terroir exceptionally well....JH

Louis Michel chardonnay Vaudesir Grand Cru, FR 2021.....	\$24
---	------

A textbook example of the Vaudesir Grand Cru, sourced from 60-70 year old vines on the north facing part of the slope. This is wine that manages to combine both power and elegance. Flint, stone fruit, and citrus on the nose, more citrus, orchard fruit, and chalky minerality on the palate, with a rich texture, balanced out by the bracing acidity...JH

Peter Michael chardonnay ma belle-fille knights valley, CA 2016.....	\$40
---	------

Planted at the highest elevation on the estate, the marine influence on Ma Belle-Fille vineyard is greater, resulting in cooler daily temperatures in the summer and autumn months. This was a near perfect vintage, producing chardonnays with crisp acidity and ripe tropical fruit... JZ
