

## ***PRODUCERS OF NOTE***

### ***DOMAINE ROSTAING***

In the late 1990's, Rene and his wife purchased a modest estate, Domaine Puech Chaud, in the Coteaux du Languedoc near Nimes. The cool micro-climate and limestone gravel of this zine produces one of the Midi's most beautiful Syrah-based wines. Apart from Guigal, Rostaing may have the finest vineyard holdings in Côte-Rôtie. He works 20+ ha, in 14 lieux-dits, including 1.6 ha in La Landonne, 1.5 ha in Fongéant, and 1.2 ha in La Viallière. A majority of the vines were planted in the 1960s and 1970s, but some of the Viallière vines exceed 100 years old! In addition, he has a choice 1.0 ha in Condrieu, and works a 10 ha site in the Côteaux du Languedoc. In 2015, René's son, Pierre, took the reins at an estate that now boasts 20+ acres of the finest vineyards in and around Côte Rôtie. And, he shares his father's deep reverence for Côte Rôtie's traditions.

### ***TEMPIER***

Lucien will forever be celebrated as the Godfather of Bandol, but also as the man who revived Mourvèdre to its former glory. Raising deep and structured wines of such refinement and longevity has made Domaine Tempier truly a grand cru de Provence. Whether it is the cult following they have established through their refreshing, age-worthy rosé (once praised by Robert Parker as the greatest rosé in the world), their Bandol Blanc, or the distinctive cuvées of Bandol rouge, the wines of Domaine Tempier stand as the proud benchmark when talking about Provençal wines. Through their passion, pioneering, and advocacy for Bandol, the Peyrauds have become legendary.

### ***KIR-YIANNI***

Kir-Yianni was founded in the 90s by 5th generation winemaker Stellios Boutaris. Over the course of the early 2000s, 28 hectares were replanted with Xinomavro, and other classic greek varieties, and farmed bio-dynamically. The wines have lots of structure and body to them making them ideal with steaks and food from the grill. Think of Xinomavro as similar to Nebbiolo, and when it works with Syrah and Merlot, you get the perfect harmony of power, and elegance.

## *MADEIRA*

{served by the ounce}

In the 1600's-1700's, wine was often fortified to survive long voyages at sea. While afloat, casks of Madeira were naturally heated. The resulting wine developed complex flavors that became highly prized. Producers then developed techniques to mimic this process. The result is Madeira as we know it today; one of the most unique and interesting wines in history.

George Washington, Betsy Ross & Thomas Jefferson are among America's most celebrated lovers of Madeira. Madeira is very likely the wine which was consumed at the signing of the Declaration of Independence and at most of the milestones of early American history. Virginia owes its wine industry to Thomas Jefferson's attempts to recreate Madeira on his own estate. In their honor we have curated a collection of rare Madeira dating back over 150 years and available by the ounce. We encourage you to try one of our recommended flights or take a custom journey with our Sommelier. Enjoy!

## *YELLOW*

Yellow wine, or vin jaune in French, is very process driven. These wines are made similarly to sherry, wherein they age in small barrels after fermentation under voile (or a veil or film of yeast). This keeps the wine from getting oxidized during a typically longer than usual (often more than 6 years!) aging process for wines made from white grapes. The finished wines are similar in style to a fino sherry, without the additional alcohol from fortification. These wines are slightly nutty in style and often cloudy in the glass.

5546. Domaine de Montbourgeau, 'Les 5 Etoiles,' Jura, FR 2018 {Chardonnay}	89
9016. Domaine Rolet, Vin Jaune 2015 (620ml) {Savagnin}	197

## ORANGE

Most of the color in a wine comes from the skins, rather than the juice. Orange wines are intentionally darker in color because the winemaker has made a choice to let the white grape juice ferment with extra skin contact, like they might with a red wine. This extra contact with the skins of the grapes results in a deeper color to the finished wine and often, a richer flavor and more texture on the palate. Orange wines can be clean and fruity or very funky and fun.
